

Building Positive Relationships

MacArthur Elementary School is Making it Happen!

Carnahan Helpers

WE ARE MacArthur Elementary School, part of the Crown Point Community School Corporation, is a Title I School. We have been named a National Blue Ribbon School in 2012, earned an "A" and have earned Four Star School status. We have consistently shown achievement and high growth.

OUR STUDENTS & FAMILIES MacArthur Elementary is comprised of 46% Poverty, 15.5% Special Education, and 1.7% ELL. We are a Title I school and we have the honor of serving 461 students.

OUR TEACHERS MacArthur's teachers and staff go above and beyond for our students. They work collaboratively, as a team, use data to drive instruction, and have helped create a professional learning community that helps ensure all students show growth.

OUR PROMISING PRACTICE MacArthur Elementary School advocates for every student. Through a plethora of programs every student is provided the unique opportunity to be known by at least one other adult besides their homeroom teacher. This gives each of our students an opportunity to have another adult advocate in the building. A few of the relationship and advocacy programs available at our school are:

Lead Team-New to our school this year we have created the Lead Team program based around Stephen Covey's book, "The Leader in Me". Monthly all K-5 students participate in an activity within a "new" homeroom. The homerooms contain 2-3 students per grade level and these homerooms will be together over the course of the next 6 school years.

Carnahan Helpers-Our head custodian, Mr. Carnahan has a group of 5th graders that he mentors while they help maintain our building. These students are also role models for the younger students.

At-Risk Mentors-Every staff member has an at-risk student they touch base with daily.

After School Homework Help-Our social worker provides at-risk students with homework support & study skills after school.

Kids Hope-Partnership with Faith Church who provides adult mentors.

IN OUR OWN WORDS "Lead Team is when you go to other classrooms and learn how to be nice to lots of people."
Braelynn Caddick

"Lead team is where I get to learn new stuff, and meet new friends." Brianna Campbell

"Homework helps me do my homework because I don't have internet at home." Brooke Crumley

"In homework help Miss Bellamy helps us with our homework because we don't have a chance to do it at home." Aden Spiecker"

Carnahan helpers is a group where you help Mr. Carnahan by monitoring the halls, picking up recycling, and other stuff that needs to be done daily in the morning. You can help on your free time during the day too." Nolan Parkinson

"Being a Carnahan help makes me feel like I can help everyone do their best all the time. That is why I wanted to be a Carnahan helper. I think everyone looks up to you because you are their role models." Dallas Hermanson
